Sub: Information/details required from Circles in respect of OA No. 238 of 2009 filed by Shri M. Devi Prasad & 31 Others Vs. CMD, BSNL & others in the Hon'ble CAT, Hyderabad bench - Reg.

Sir,

I am directed to bring to your kind notice to the OA No. 238/09 filed by Shri M. Devi Prasad & 31 others Vs. CMD BSNL & others in the Hon'ble CAT, Hyderabad bench. The subject matter of the OA pertains to eligibility for the LDCE held on 15.07.2007 for promotion to the grade of SDE(T). The petitioners working in AP Telecom Circle belonging to 2002 batch of JTOs have represented in the said O.A. against the decision taken by the AP Circle that JTOs of 2002 batch are not eligible to appear for the vacancy year 2005-06 in the Limited Departmental Competitive Examination, 2007 for not having completed the prescribed three years of regular service as on 01/07/2005 and filed the aforementioned OA. In the aforementioned OA, the applicants have also inter-alia averred that, the candidates of Maharashtra Telecom Circle who belong to the JTO batch of year 2002 have been made eligible to write the examination by Maharashtra circle and such candidates have already been declared successful in the said LDCE and have subsequently been appointed to the grade of SDE as well against the vacancy year 2005-06.

2. As per Recruitment rules, the LDCE is to be held against 25% of total vacancies of SDE grade. The candidates applying for the examination should have completed three years of **Regular Service** in the grade of JTO(T) as on the 1st July of the vacancy year to which they are applying. In other words, the candidates must have joined BSNL on or before 30.06.2002 for being eligible for appointment on promotion to the grade of SDE against the vacancy for 2005-06. The applicants have further averred that they are short of requisite service by 2 to 3 months but may be made eligible by invoking Rule stipulated in Column 12, note 5 of the RRs for promotion to the grade of SDE(T) as per which seniors would be considered for promotion if their juniors are also considered provided such seniors are not short of the requisite qualifying/eligibility service by more than 1 year.

3. In this regard, it is intimated that in the RRs for promotion to the grade of SDE(T) the following provisions have been clearly stipulated in the relevant clauses :

(A) Column 12 : Limited Departmental Competitive Examination from amongst JTOs(Telecom.), who have rendered not less than three years regular service in the grade on the 1st July of the year of examination.

(B) Column 12, note 3 : "The crucial date for determining the eligibility list shall be 1st of July of the year to which the vacancies pertain."

Contd. Page ..2..

(C) Column 12, note 5 of the RRs for promotion to the grade of SDE : "Where juniors who had completed their qualifying eligibility service are being considered for promotion, their seniors would also be considered provided they are not short of requisite qualifying/eligibility service by more than 1 year."

(D) Further, the following clarification under letter No. 2-29/2005-Pers.II dated 16.04.2007 with regard to the eligibility of candidates has also been issued :

In all cases where pre-service training is considered necessary before actual appointment to the post, the period spent by an officer on training immediately before such appointment would count as qualifying service for the purpose of eligibility for appearing in departmental examinations, even if the officer is not given the scale of pay of the post but only a nominal allowance.

4. A combined reading of all the aforesaid provisions contained in the RRs and administrative instructions will indicate that only the candidates who have put in 3 yrs. of regular service are eligible for appearing in the LDCE for promotion to the SDE grade. However, it is observed that Column 12, note 5 of the said RRs has been misinterpreted by some of the Telecom circles who have allowed the JTOs of 2002 batch to appear in the said examination erroneously by invoking the aforesaid clauses especially the clauses A & B. In this regard, it is pertinent to mention that the circles have scrutinised the eligibility aspect and have certified the eligibility of the successful candidates specifically called for in response to this office letter No. 1-14/2008-Pers.II dated 15.07.2008.

5. In the letter certifying the eligibility of 3 yrs. regular service in respect of the successful candidates by the respective Circles, it was not specified by them as to whether three years eligibility in JTO grade has been reckoned by including the period of training prior to the date of appointment as clarified vide letter dated 16.4.2007 supra. It was also not certified by the Circles whether the eligibility of any particular candidate has been certified by invoking the provisions of senior-junior clause as referred to in para 3.(B) above.

6. Accordingly, having fully clarified the eligibility as per RRs and the above instruction dated 16.04.2009 as referred to above, Circles were once again requested by the Personnel Branch, BSNL CO in their letter 1-14/2008-Pers.II dated 15.07.2008 (para 2(IV) thereof specifically refers) to ensure correctness of eligibility of the candidates appearing from each Circle, while sending their vigilance clearance before effecting promotion on declaration of LDCE result.

7. Some of the cases of ineligible JTOs of various Telecom Circles for the vacancy year 2005-06 have been shortlisted from the HR Package of employees and are annexed as **Annexure I**. There might be similar other cases of ineligible JTOs in your/other Telecom Circles. All the Telecom Circles which have permitted such candidates who are found to be ineligible for not having rendered three years of regular service as on 1st July of the vacancy year 2005-06 (i.e the 1st July of the year 2005) to which the vacancy pertains for LDCE held on 15.07.2007 and subsequently appointed to the grade of SDE on the basis of the said LDCE **are directed to review the eligibility of all such JTO candidates and those found ineligible may immediately be asked to show-cause as to why their appointments to the post of SDE(T) on the basis of LDCE held on 15.7.2007 may not be cancelled and they be reverted to the post of JTO**. In case, such ineligible JTO candidates who have qualified the LDCE held on 15.07.2007 have been posted on promotion to other than recruiting circle, the action as proposed above may be taken by the circle where the official is presently posted in consultation with the Recruiting Circles.
